Geppetto

Immigrating from Italy in 1969, Nino at 17 years of age, along with his family and a couple of suitcases moved to Melbourne.

With his experience, heritage and desire to express his love for food & hospitality from his hometown region of Puglia, he decided to open "Geppetto Trattoria" in 1981.

After many years of continuous operation, this legacy remains, along with his son Adriano, hoping to preserve these values for many more years to come.
